Dear parents and guardians,

Is your child is currently attending 4th grade at a primary school in Munich?

This brochure contains **all important information** for **transition** and **enrollment** in the 5th grade at an academic secondary school (*Gymnasium*), a vocational secondary school (*Realschule*) or a specialty school.

At the end of the brochure, you will find information on how to **transfer to a business school** (*Wirtschaftsschule*).

If you would like to find out more about the various services offered by the schools, please visit the websites of each school.

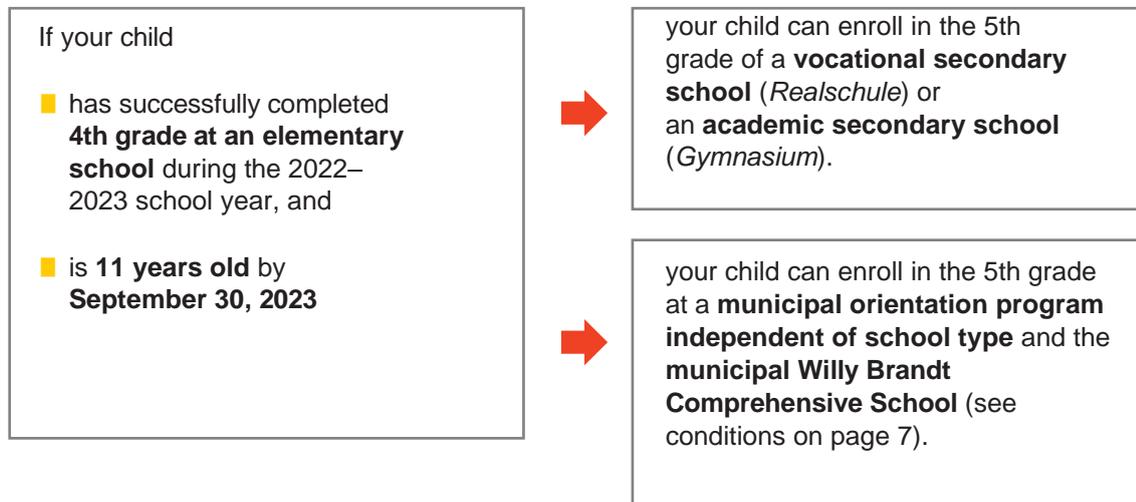

We wish you and your children a joyful period of transition and all the best for further educational steps.

Department for general education

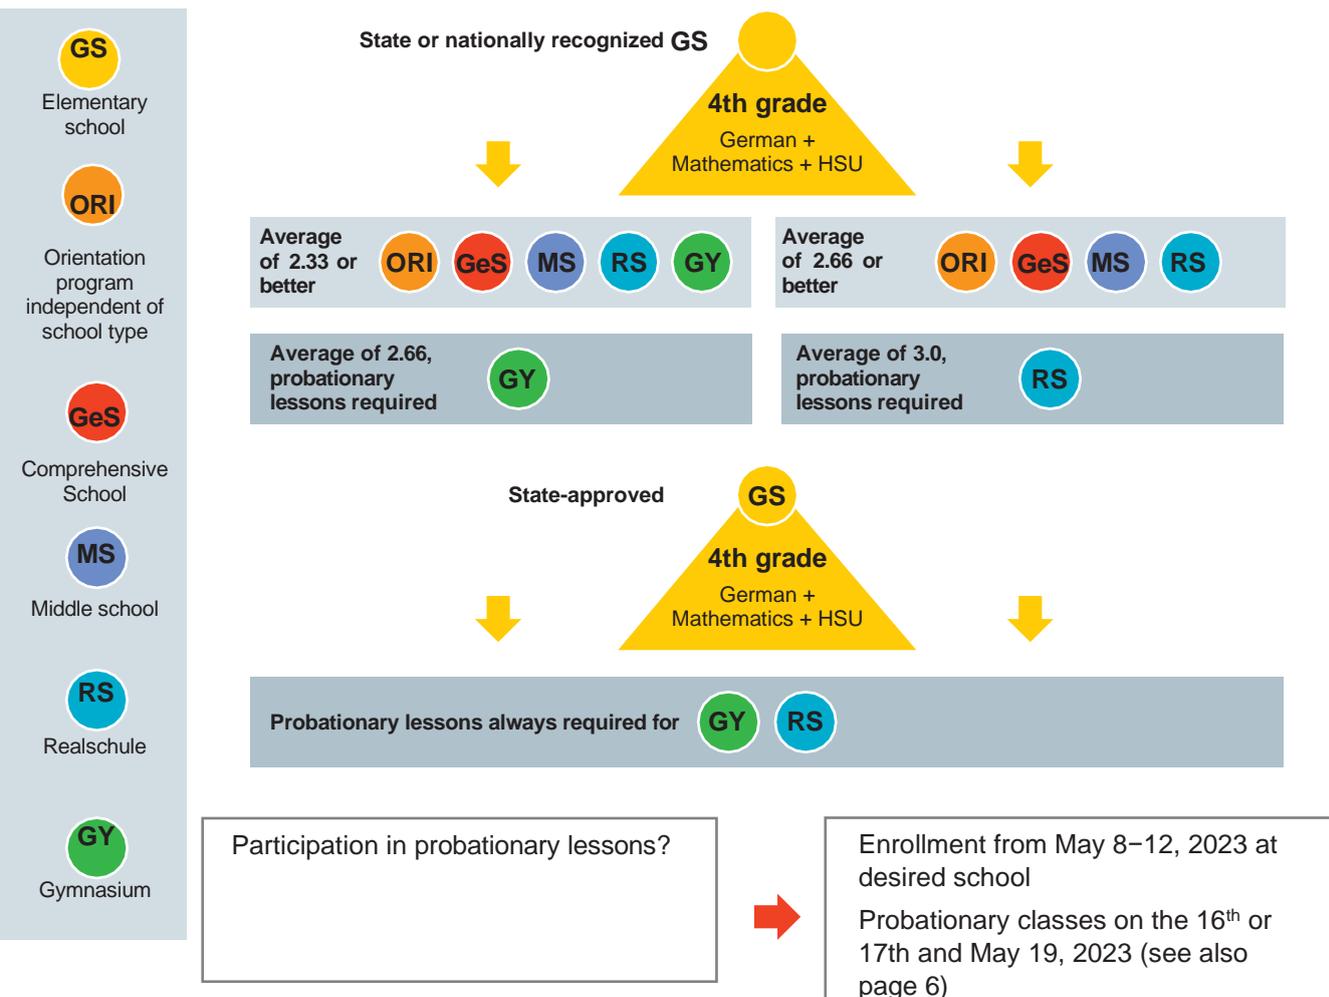

Enrollment and admission in 5th grade

Conditions for admission

Your child has the following options:

Transfer to a Realschule or Gymnasium is also possible after completion of the 5th grade at a public or state-recognized secondary school under certain conditions. Transfer to a Gymnasium is also possible after completion of the 5th grade at a public or state-recognized Realschule under certain conditions.

Enrollment

Please enroll your child at the school to which they wish to be admitted. At this school, your child usually can also participate in the probationary lesson, if necessary. For more information, please contact the school (see also Chapters 5 and 6).

Only legal guardians or their authorized representatives can enroll children. As a rule, the signature of a legal guardian is sufficient.

Please bring the following when enrolling your child:

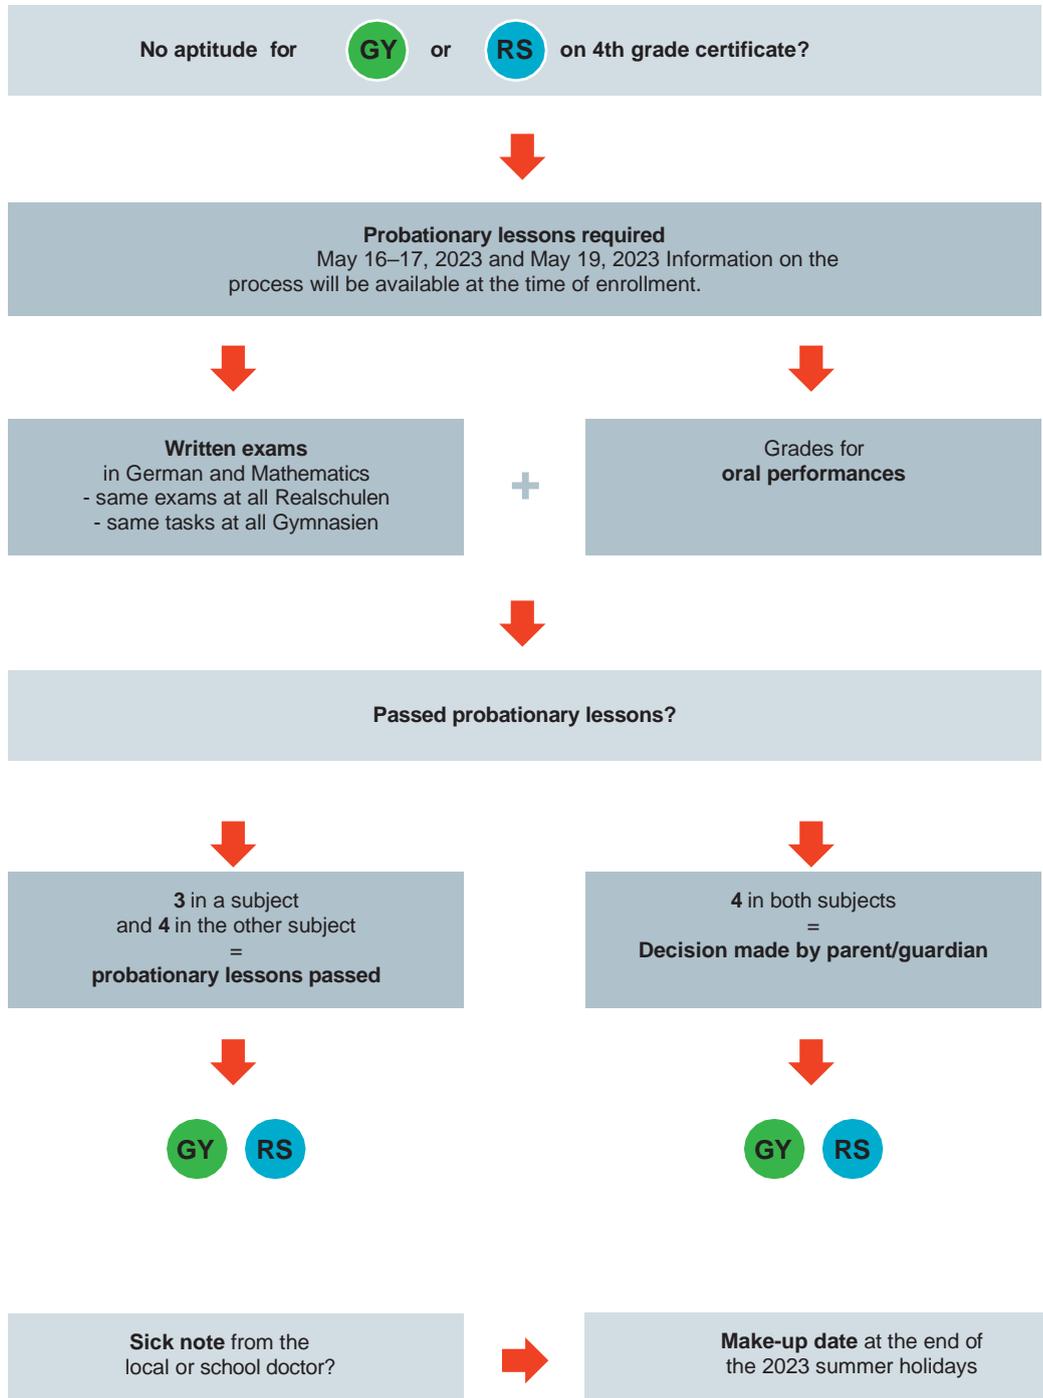

- Original birth certificate
- Original graduation certificate from 4th grade
- Original custody documents, if applicable
- Certificate of partial performance disruption, if applicable

Acceptance

Your child is invited to attend 5th grade at the beginning of the school year at a municipal or state Gymnasium or Realschule.

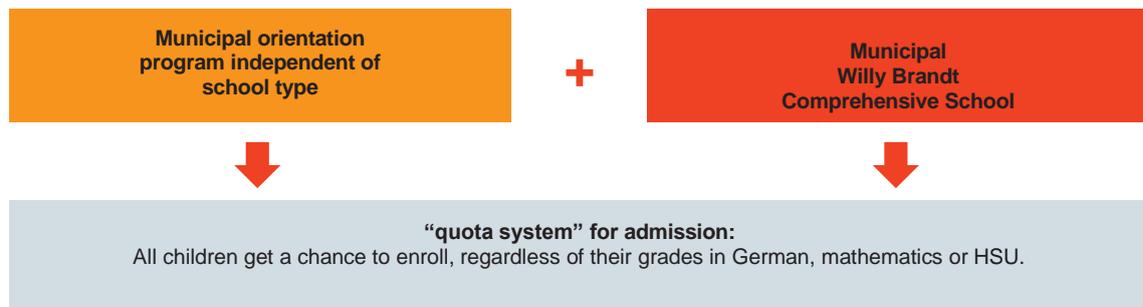

Academic secondary schools (Gymnasien)

If your child does not receive a placement at the school of your choice, the respective school administrator will make every effort to find a suitable place for your child at another Gymnasium. There is no entitlement to admission to a specific Gymnasium in Munich.

Vocational secondary schools (Realschulen)

If your child does not receive a placement at the school of your choice, an effort will be made to find a suitable place at another public Realschule in the metropolitan area. There is no entitlement to admission to a specific Realschule in Munich.

Specialty schools

Allocation of places at the **municipal orientation program independent of school type**:

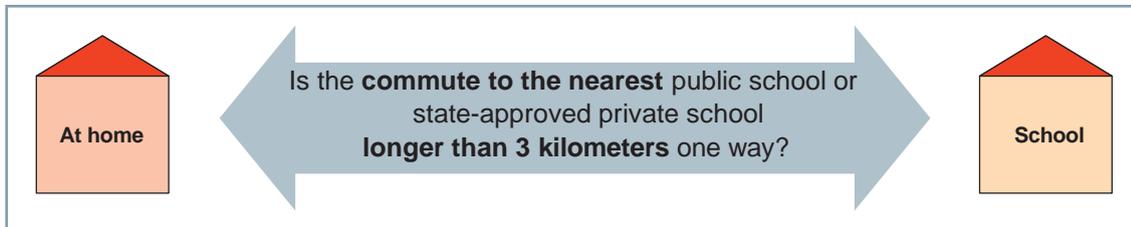

- Group A: 60 places (20%) for students with a grade average of 1.00 to 2.33
- Group B: 90 places (30%) for students with a grade average of 2.66
- Group C: 90 places (30%) for students with a grade average of 3.00 and 3.33
- Group D: 60 places (20%) for students with a grade average of 3.66

Allocation of places at the **Municipal Willy Brandt Comprehensive School**:

- Group A: 32 places (20%) for students with a grade average of 1.00 to 2.33
- Group B: 48 places (30%) for students with a grade point average of 2.66
- Group C: 48 places (30%) for students with a grade average of 3.00 and 3.33
- Group D: 32 places (20%) for students with a grade point average of 3.66 or higher

If the number of children registered in the individual groups exceeds the available number of places, a **lottery** procedure determines registration. The lottery will take place at the Municipal Willy Brandt Comprehensive School on the day of enrollment, on **Thursday, May 4, 2023**, at 7 pm. The lottery at the municipal school orientation program will take place on **Friday, May 5, 2023**, at 9 am. If your child does **not get a place**, you can still enroll him or her at a Gymnasium or a Realschule up until **Friday, May 12, 2023**, depending on the 4th grade certificate. This is also the case if you file a hardship application after a cancellation, which will be decided at a later date.

Free commute to school

You can **request coverage of the cost** of the ticket for public transport (bus, tram, metro and commuter rail).
As a rule, this applies to the school that can be reached at the lowest cost.
Exceptions may be approved by the Department of Education and Sports.

The application form and further information can be found at the following link:

Parent information evenings

Thursday, 19 January 2023, 3 pm–7 pm (Open House)

Please additionally note the information and offers on the homepage.

■ **Municipal Willy Brandt Comprehensive School**

Wednesday, March 29, 2023, 4–7 pm

■ **Municipal orientation program independent of school type. Please additionally note the information and offers on the homepage.**

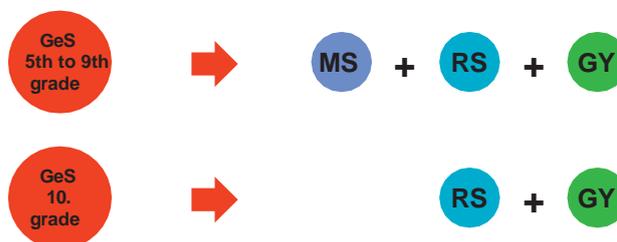

Orientation program independent of school type

The municipal orientation program independent of school type is held in 5th and 6th grade. Students will be prepared to enter the 7th grade of a secondary school, and the school they will then attend will be decided at the end of the 6th grade. Further information on the arrangements for entry into the 7th grade can be found on the school's website.

Municipal Willy Brandt Comprehensive School

At the Municipal Willy Brandt Comprehensive School, students can obtain the intermediate secondary school diploma, the vocational secondary school diploma and the upper secondary school entrance qualification in the scientific and technological field of education.

From 5th to 7th grade, students attend a common core group (class). In 8th grade, it is determined whether the student can complete the intermediate secondary school diploma, the vocational secondary school diploma or whether they reach the upper secondary school entrance qualification of the science and technology education. In this case, students attend the Municipal Willi Graf Gymnasium, starting in the 11th grade.
